WINTER STORAGE CONTRACT

**WINTER STORAGE—GENERAL RULES**

1. Storage is reserved with a non-refundable deposit of \$500.00 for both land and wet storage. Please return contract by October 4, 2024; after that date space will be reserved on a first come basis. Storage bills are payable within 30 days of receipt of bill.
2. Please review the owner’s information section and correct or provide info as needed. The State of Connecticut requires that we keep full records, especially your registration or documentation number. Please check off the work that you want done by the Yard. **WITHOUT THIS CONTRACT WE CANNOT STORE YOUR BOAT.**
3. Winter storage charges must be paid in full prior to launching of and / or departure of vessel.
4. A key to boat, or lock combination, **MUST** be left with the Yard.
5. The Yard is not responsible for fire, storm, theft or ice damage and the boat owner agrees to hold the yard harmless in the event of such occurrences. All boats must have hull and liability insurance.
6. Owners are not permitted to use heaters, light stoves or transport flammable materials, unless under Yard supervision. **NO** electric heaters may be used on boats on land. In water use is permitted on owner occupied live-aboard vessels.
7. No outside mechanics or contractor service without Yard approval and proof of proper insurance. Boat owner must notify the Yard in advance.
8. Dogs shall not be permitted in the marina unless leashed; owners are expect to clean up after them, “Mutt Mitts” are provided at 4 locations.
9. All boats for sale must be shown by a broker or the owner must be present at showing. No “for sale” signs on boats.
10. Waste oil only can be disposed of in our storage tank (no diesel, gasoline or other liquids). Please give oil to a Yard employee, **DO NO LEAVE IT OUTSIDE THE TANK.** We will also take **METAL** as well as oil and fuel filters for crushing and recycling.
11. Customers shall not allow the introduction or disposal of any hazardous wastes on the Yard premises, or adjacent waters. In particular, this would include paint, paint solvents, cleaning solvents, and similar substances.
12. Customers who sand and paint their own boats must use dustless sanders of FEIN® quality or better to minimize introduction of hazardous materials (including paint, paint scrapings, etc.) onto Yard premises, and shall dispose of any such materials as the law requires. Sanders are available for rent at \$20.00 per hour. Wet sanding will not be allowed without permission of Yard. Our aim is to keep the environment clean.
13. Shrink wrapping of boats will be performed by Yard Personnel only.
14. Copper based paints are not allowed in the Yard. All paints must be purchased through the boatyard. We stock Pettit *ECO* HYDROCOAT and ECO HRT bottom paints.

**By returning this signed contract, you agree to purchase your bottom paint through the boatyard.**

**LAND STORAGE**

15. Land storage boats must be hauled prior to November 15th and launched before July 1<sup>st</sup>. Boats remaining on land after that date will be charged for summer land storage and may be moved at their owner’s expense.
16. No masts will be stored on boats. The Yard is not responsible for damage to furling gears. No sailboats will be accepted for storage without masts. There will be an additional charge of \$80.00 for masts stored with radar domes for the extra handling and storage required.
17. The Yard will not be responsible for damage to radars, wind indicators, instruments, etc. mounted on masts. The utmost care will be taken when removing the mast, but if units are left on, the owner will not hold the Yard responsible if damage occurs.
18. Responsibility for drain plug removal and replacement is the owner’s.
19. The Yard requires that all hauled vessels have their bottoms pressure washed.
20. Boat owners must keep the area around their boat clean or Yard will do so at Owner’s expense.
21. Poppets **must not** be removed from under boats **nor shall** winter covers be tied to them.
22. Please let us know your anticipated spring launch month on front side of this contract. If you do not complete this section, we will anticipate a late launch date and we may position your boat accordingly.

**WET STORAGE**

23. Wet storage runs from November 15th to April 15th. Boats left after April 15th without Yard permission will be charged \$2.00 per foot per day, boats **MUST** be removed by May 1st.
24. All boats shall be moored stern to and secured to their berths in a manner acceptable to the Yard, with correctly sized lines and fenders.
25. Each owner shall be held responsible for any damage which he may cause to other boats in the marina or damage to any structure. Any boat which might sink in the marina shall be removed at the expense of the owner.
26. Boat owners shall not store supplies or debris upon any walkway and shall not construct steps or similar structures except with the permission of the Yard.
27. Battery chargers only may be plugged in unless owner is on-board.
28. Boats may come in prior to November 15th as slips become available. Preference will be given to boats coming the greatest distance.

**PLEASE RETURN COPY TO THE YARD BY OCTOBER 4<sup>th</sup>**
